

Note to Parents

With TeamKID, we come alongside your children and partner with you to instill in them Christian values.

We want children to become life-long, devoted followers of Jesus Christ. That way when the inevitable challenges and choices of life come their way, they can stand firm on the promises of God, having “built their houses” upon a rock rather than upon the “sand” of the prevailing cultural values (see Matthew 7:24-25).

We hope you’ll give us the opportunity and privilege of working with your child this year.

What is TeamKID?

TeamKID is a recreation-based discipleship club for kids. It balances high-energy activities, lessons, and games with scripture memorization, high-impact biblical lessons, and life application.

From the first minute of Warm-Up to the closing seconds of the Cool Down period, *TeamKID nights are full of fun, activities, and meaningful learning opportunities.*

TeamKID for grades 1–6 includes a discipleship emphasis in every meeting and utilizes a recognition system that rewards kids for their faithful attendance, completion of Bible-related work, and bringing friends with them.

TeamKID for Preschoolers helps children from age three to kindergarten grow spiritually, physically, emotionally, mentally, and socially. The program also includes arts and crafts, recreation, and basic Bible learning skills
